01 / OVERVIEW

Company Profile

> *"Aarush Associates is an electrical contracting firm serving commercial, industrial and residential projects. As a Class I Licensed Electrical Contractor, the firm focuses on dependable execution, quality workmanship, responsive service and solutions aligned with each client's requirements and budget."*

Our approach is straightforward: understand the brief, coordinate carefully, and deliver work with a focus on quality and prompt service. With over 25 years of experience, we have successfully executed over 250 referenced projects.

02 / VALUE PROPOSITION

Why Clients Work With Us

Class I Licensed Authority

Qualified Class I Licensed Electrical Contractor standing suitable for corporate clients, developers, builders, institutions, and property-management teams.

Commercial & Residential Reach

Broad execution capability spanning diamond bourse complexes, corporate head offices, high-rise residential towers, clinics, hotels, retail showrooms, and factories.

250+ Referenced Projects

Extensive track record of completed installations across Mumbai, BKC, SEEPZ, Nariman Point, Lower Parel, Malabar Hill, Pune, Lonavala, and Goa.

Dependable Workmanship

Focus on systematic electrical installation, reliable power distribution, lobby and meter-room upgrades, and durable finishing.

Responsive Coordination

Hands-on proprietor supervision ensuring smooth site coordination with clients, architects, builders, and facility managers.

Budget Alignment

Practical, well-planned electrical contracting solutions tailored to meet each project's specific operational brief, schedule, and budget.
